## Centene Dental Claim Submission Process

### How to Submit a Claim to Centene Dental

Centene offers **three ways** for participating providers to submit claims for processing:

- Provider Web Portal (PWP): [envolvedental.com/logon](http://envolvedental.com/logon)
- Electronic Clearing House: Payor ID **46278**
- Paper Claim submission

Please use the mailing address below for your particular state to mail paper claims:

WI Claims/Auths/Appeals	PO Box 22122	Tampa	FL	33622-2122

The PWP is updated in real time, letting all providers monitor claim status and submit electronic claims at no additional cost. This is one of the many benefits offered to Centene Dental contracted providers.

## Timely Filing Time Frames

Timely filing for Medicaid states is outlined in the chart at the end of this document.

Note: Our Medicare Advantage and Commercial plans are identified separately.

## How to Submit a Corrected Claim to Centene Dental

Corrected Claims can be submitted on the Provider Web Portal (PWP). Most corrections can be performed via this method. However, if you are removing an original line of service, this correction must be submitted via Paper Corrected Claim.

Centene also accepts corrected claims via paper submission. Remember to check your provider manual, as each state has a different mailing address for paper claim submission.

Tips for submitting a corrected claim:

- Write **Corrected Claim** at the top of an original 2012 ADA form (or newer version) with the original claim number written directly below
- In box 35 or in a separate narrative, please advise why you're sending a corrected claim

## Centene Paper Claim Submission

If you are submitting a paper claim by mail for submission:

- Claims must be submitted on an original 2012 ADA Form or newer version (photocopies will not be accepted)
- Attach any supporting documents
- Handwritten claims are not accepted

## Submitting Claims With Centene as Secondary Payor

Please see the Timely Filing grid below when Centene is identified as either a primary or secondary payor on member claims. When a member has a primary insurance, we commonly come across the following scenarios:

- **IF** a member has a primary insurance that has paid the max allowable, **THEN** Centene will not pay additional monies. Providers cannot be reimbursed more than the max allowed by the primary payor for services that are covered under the member's primary benefit.
- **IF** you submit a claim on the PWP where the member has a primary insurer, **THEN** you must fill out the *Other Coverage* section **AND** coordinate primary insurance payment information for each service line. Additionally, you must attach the EOP from the primary payor under *Attached Documents*.

## If Your Claim is Denied More Than Once

If your claim is denied more than once, **do not continue to resubmit**. Please email [ProviderRelations@EnvolveHealth.com](mailto:ProviderRelations@EnvolveHealth.com) for guidance.

## General FQHC Billing

Facilities such as Federally Qualified Health Centers (FQHCs), Community Health Centers (CHCs) and Rural Health Clinics (RHCs) are reimbursed through encounter payments. These providers can choose one of the claim submission options to submit encounters. Note the following requirements:

- Submit one encounter claim for each unique member visit.
- Submit codes for every procedure performed on the encounter claim to ensure member utilization data are complete.
- Ensure every code includes corresponding tooth numbers, quads, arches and any other required identifiers.
- Include all documentation requirements.
